Why: Our military families are in desperate need of your prayer and ministry support! Up to 49% of returning troops experience the symptoms of combat trauma, and Army suicide rates are at all time highs. 67% of military marriages require counseling, and hundreds of thousands of children experience psychological stress from having a parent deployed. Wounded warriors can now survive horrific injuries, but require extensive rehabilitation, taxing VA chaplains.

How: Register on the ACCTS website (www.accts.org) or call the ACCTS home office at 800-487-8108.

AMCF is a worldwide network of Christians in the military and security forces of nearly 120 countries. The North American Region includes Canada, the USA, and the Caribbean nations. Our motto is “All one in Christ Jesus.”
