

MAY PRAYER ITEMS

Pray with an ACCTS team as they finish up an English training program in Mongolia from 1-5 May. Pray that their efforts will result in more ministry opportunities in Mongolia, and that the military Christian fellowship of this nation will be strengthened through this.

Pray with ACCTS staff members who minister to international military students in the U.S., asking that God open doors for them to reach students who are open to the Gospel.

Pray for preparations for this June's Interaction-Rocky Mountain High program. Ask that the young international military members who attend will be inspired to further serve Christ during their military careers and become leaders in their national military Christian fellowships. (Scholarships for the participants are still needed – if you would like more information on how to contribute to this leadership training program, contact Emanuela at webmaster@accts.org.)

Pray for ACCTS' leaders as they seek God's will for future ministry plans. Pray for our partnerships with other military ministries, including MMI in the UK and MSO in South Korea.
