

# MAKE AN IMPACT WITH YOUR YEAR-END GIVING

Did you know that 60+ million -- or 96% -- of the men and women in uniform are serving other nations' militaries, and that ACCTS is one of the very few organizations reaching out to them?

Christian men and woman in these militaries who integrate their faith into their careers and share it with others often face the loss of promotion or career, social rejection, and worse. It is humbling to work with these men and women who willingly risk so much to reach their comrades with the Gospel.

In most countries, even where the military is not running the country, the moral and ethical climate in the military, for better or worse, affects every citizen in the nation. The level of corruption and respect for basic human rights within a nation is largely set by those who carry guns and control the levers of power. A single military man or woman in a position of authority can change the course of a country. ACCTS works through indigenous Christian military who have served or are still serving to bring positive change. We teach, equip, disciple, assist, and encourage military Christians to carry the Gospel to men and women who wear the same uniform they wear.

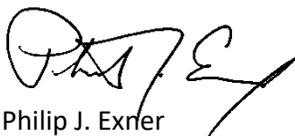

These military believers and others around the world understand the risk they take whenever they share the Gospel with their comrades in arms, yet they fearlessly continue. As you enjoy with family and friends this season of celebration of Christ's birth, please remember our brothers and sisters in Christ who do not know our freedom to openly pray, worship, share, and fellowship; and pray for their outreach to their military friends.

In 2018 ACCTS will continue to focus on mentoring young military Christians who are assuming increasing leadership within their militaries and their Christian fellowships, and on connecting isolated military Christians with one another. God has opened many doors for military ministry and we are excited for the opportunities He has given us in the coming year. But we need prayer and financial partners!

Please prayerfully consider supporting ACCTS financially with a special year-end gift and into 2018 as we continue encouraging the saints and reaching the lost of that 96% of the world's military who are not from the U.S. If you do not currently support ACCTS, please consider a monthly gift. Go to "Donate" and choose "ACCTS Fund" as the category. Even a \$25-50 monthly commitment will help spread the Gospel and provide military Christians the training, encouragement, and fellowship that they need and long for. If you are already giving to ACCTS, would you pray about increasing your commitment by 10%, 20%, 25% or more?

We consider it a great privilege to share our prayer and financial needs with you. However the Lord leads you to respond, we are grateful. You are a blessing to us and to those with whom we minister directly. Thank you for your partnership!

Serving Our Ever-Faithful Savior,

Philip J. Exner
