

## LATIN AMERICA MINISTRY COORDINATORS

ACCTS staff member Bob Reifsnyder (LTC, USA, Ret.) has retired from his position as our Latin American Ministry Coordinator. Bob and his late wife Billie Jean became staff members in the late 1980s and worked tirelessly in Central and South America to help develop military Christian fellowships and encourage MCF leaders throughout the region. They are beloved by many, and have done remarkable things for the Lord's work because of their faithfulness to Him. Praise God with us for the many years of service they gave to God and to ACCTS!

ACCTS staff members Andy and Grace MacClean have moved into the position of ACCTS' Latin American Ministry Coordinators. Praise God for their willingness to serve, and pray for the Holy Spirit to give them wisdom in this new role.
